Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The GroundTruth Project, Inc. (the Organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The GroundTruth Project, Inc. as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The GroundTruth Project, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The GroundTruth Project, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The GroundTruth Project, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The GroundTruth Project, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 ORGANIZATION AND PURPOSE

The GroundTruth Project, Inc. (the Organization), a nonprofit corporation, was founded to restore journalism from the ground up by supporting the next generation of journalists through field reporting that serves under-covered corners of the United States and the world. The Organization focuses on training and developing the craft of journalism and the power of accountability reporting. While meeting the challenges of communicating fair, trusted news in an age where it sometimes feels truth itself is under attack, the Organization seeks to support on-the-ground journalism that enlightens and informs with a spirit of public service.

The Organization's programs build an engaged community around impactful journalism and powerful storytelling by a new generation, while supporting their careers as fellows, corps members and alumni. Since incorporation on August 8, 2012, the Organization has supported more than 300 emerging journalists through its global reporting fellowships across more than 30 countries. In 2018, GroundTruth launched its flagship service program Report for America which now supports 325 journalists in 200 newsrooms across the US. In 2021, GroundTruth launched a small pilot program called Report for the World, with six journalists based in India and Nigeria. The Organization trains and produces content in its fellowships and corps members through various mediums including written essays, photo essays, podcasts, and films as well as corps member service projects through its service flag-ship program, Report for America.

The GroundTruth Project, Inc. expended over 82% of its funding on programmatic expenses in 2021. Within those programmatic expenses, over 52% of those costs directly supported Fellows and Corps Members. In addition, The GroundTruth Project, Inc. incurred 48% of its programmatic expenses from staff and contractors who support those program participants by interviewing and matching those Fellows and Corps Members to the right Host News Organizations, training and mentoring them, creating and maintaining program infrastructure, and fundraising in the communities where Fellows and Corps Members work in order to ensure they have a successful educational and journalistic experience.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Organization to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

THE GROUNDTRUTH PROJECT, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Display of Net Assets by Class

Net assets, revenues, and support are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, the net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are available for use in general operations and not subject to donor-imposed stipulations.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purposes for which the resources was restricted has been fulfilled, or both. Other donor-imposed restrictions may be perpetual in nature, where the donor stipulates that resources be maintain in perpetuity. For the years-ended December 31, 2021 and 2020, there were no net assets with donor restrictions maintained in perpetuity.

Subsequent Events

Subsequent events are events or transactions that occur after the date of the statement of financial position but that could affect the amounts or disclosures in the financial statements. Management has evaluated subsequent events through June 15, 2022, the date that the financial statements are available to be issued.

Cash and Cash Equivalents

The Organization considers all cash and highly liquid financial instruments with original maturities of three months or less, which are not restricted by donors for long-term purposes, to be cash and cash equivalents.

Contributions Receivable

Contributions receivable are stated at the amount management expects to collect from outstanding balances. The Organization establishes an allowance for uncollectible contributions receivable based upon its assessment of the status of individual receivables. As of December 31, 2021 and 2020, the Organization considers all contributions receivable to be fully collectible. Accordingly, no allowance has been established. All of the Organization's contributions receivable are unconditional.

Investments

Investments are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

**THE GROUNDTRUTH PROJECT, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Funds Designated for Specific Use

Host newsrooms participating in the Report for America corps program may raise their own funding for their News Corps members. The Organization receives locally raised funds, which is reflected as a liability until it is disbursed to the newsrooms.

Property and Equipment

Property and equipment are recorded at cost. Assets having a useful life of at least one year are capitalized if the total cost is over \$2,000. Donated property is recorded at its estimated fair value at the date of receipt. Gifts of long-lived assets are recorded at their fair market value at the date of donation and reported as unrestricted support unless explicit donor stipulations specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support.

Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the related assets as follows:

Equipment	3 Years
Website	3 Years

Property and equipment consisted of the following as of December 31:

	2021	2020
Equipment	\$ 33,295	\$ 33,295
Website	144,199	144,199
Subtotal	177,494	177,494
Less: Accumulated Depreciation and Amortization	(163,218)	(144,607)
Total Property and Equipment	\$ 14,276	\$ 32,887

Revenue and Revenue Recognition

The Organization receives grants and contributions from various donors and grantors, including other nonprofit organizations, which are recorded as increases in assets without donor restrictions or assets with donor restrictions, depending on the existence of any donor restrictions. Grants and contributions are considered to be available for use unless specifically restricted by the donor or grantor.

All donor-restricted grants and contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

THE GROUNDTRUTH PROJECT, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

Expenses directly attributable to the Organization's programs are recorded as program expenses. Salaries and benefits are allocated to program, management and general, and fundraising expense based on actual hours spent as reported on employees' timesheets. Indirect costs, such as rent, professional and consulting services, depreciation expense, and certain office expenses are allocated based on pro-rata share of salaries for each function.

Fair Value of Financial Instruments

Fair value measurement applies to reported balances that are required or permitted to be measured at fair value under an existing accounting standard. Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy.

The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Income Taxes

The GroundTruth Project, Inc. is exempt from federal and state income taxes under Section 501(c)(3) of the United States Internal Revenue Code and, as a corporation organized under Chapter 180 of the General Law of the Commonwealth of Massachusetts, it is also exempt from income tax in Massachusetts. Accordingly, no provisions for federal and state income taxes have been made.

THE GROUNDTRUTH PROJECT, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 AVAILABLE RESOURCES AND LIQUIDITY

The Organization regularly monitors liquidity required to meet its operating needs. The Organization also has access to a line of credit to supplement cash flows as needed, as described in Note 7.

The Organization's sources of liquidity include cash and cash equivalents and contributions receivable. For the purpose of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing program activities to be general expenditures.

Total financial assets held by the Organization as of December 31:

	<u>2021</u>	<u>2020</u>
Cash and Cash Equivalents	\$ 3,570,119	\$ 4,861,711
Contributions Receivable Within One Year	5,318,261	2,433,879
Subtotal	8,888,380	7,295,590
Less Funds Designated for Specific Use Included in Cash and Cash Equivalents	(1,019,600)	(549,655)
Total	<u>\$ 7,868,780</u>	<u>\$ 6,745,935</u>

NOTE 4 CONTRIBUTIONS RECEIVABLE

Unconditional contributions receivable are due as follows at December 31:

	<u>2021</u>	<u>2020</u>
Within One Year	\$ 5,318,261	\$ 2,433,879
In One to Five Years	3,164,500	2,994,680
Total	<u>\$ 8,482,761</u>	<u>\$ 5,428,559</u>

NOTE 5 INVESTMENTS

The Organization uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. The following table presents the Organization's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments at Fair Value:				
Exchange Traded Funds	\$ 9,820	\$ 9,820	\$ -	\$ -
Equities	10,394	10,394	-	-
Total Investments at Fair Value	<u>\$ 20,214</u>	<u>\$ 20,214</u>	<u>\$ -</u>	<u>\$ -</u>

There were no investments measured at fair value as of December 31, 2020.

Investment gains and income for 2021 include \$84 of dividends and \$894 of realized gains included in Other Income. There were no material gains or income in 2020.

THE GROUNDTRUTH PROJECT, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 6 HOST NEWSROOMS CONTRACTS AND COMMITMENTS

In connection with the Organization's mission, the Organization provides grants to host newsrooms to support Report for America and Report for the World corps members at those newsrooms. As of December 31, 2021 and 2020, the Organization had prepayments on those contracts totaling \$799,007 and \$712,300, respectively.

The Organization is committed to funding current corps members under those contracts through May 31, 2022, with expected payments to approximate \$1,095,055.

NOTE 7 LINE OF CREDIT

On September 27, 2019, the Organization entered into a line of credit agreement with a bank, expiring in September 2022. The line of credit includes an available balance of \$500,000, bears interest at the London Interbank Offered Rate (LIBOR) daily floating rate plus 3.00% (3.14% at December 31, 2021 and 2020, respectively) and is collateralized by the Organization's assets.

NOTE 8 CONCENTRATION OF CREDIT RISK

The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits. To date, the Organization has not experienced losses in any of these accounts.

Credit risk associated with contributions receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from board members foundations, and other grantors supportive of the Organization's mission. For the year ended December 31, 2021, two donors accounted for 34% of total contributions receivable. One donor accounted for approximately 16% of total contribution revenue for the year ended December 31, 2021. For the year ended December 31, 2020, one donor accounted for 59% of total contributions receivable. One donor accounted for approximately 32% of total contribution revenue for the year ended December 31, 2020.

NOTE 9 LEASE COMMITMENTS

The Organization leases office space under various noncancellable and cancellable operating leases as follows:

The Organization leased office space in Woods Hole, MA at a rate of \$1,000 per month through August 31, 2021. The lease was extended indefinitely beginning September 1, 2021 at a rate of \$1,000 per month. The lease may be terminated by either party no earlier than the end of the calendar month following the date of written notice.

THE GROUNDTRUTH PROJECT, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 9 LEASE COMMITMENTS (CONTINUED)

The Organization leased office space in New York, NY through February 28, 2021 at a rate of \$8,000 per month. As of that date, the Organization resized their lease with this company and entered into an agreement effective March 2021 through August 31, 2022 at a rate of \$5,088 per month, with three months rent-free through May 2021.

The Organization leased office space in Washington, DC at a rate of \$1,693 per month through May 31, 2021. The lease was not extended upon expiration.

The Organization's future minimum payments on the leases are as follows:

<u>Year Ending December 31,</u>	Operating Leases
2022	<u>\$ 40,704</u>
Total Minimum Lease Payments	<u>\$ 40,704</u>

Security deposits related to the above leases are included in other current assets and amounted to \$12,720 and \$21,675 as of December 31, 2021 and 2020, respectively. Rent expense for the above leases totaled \$78,937 and \$100,554 for the years ended December 31, 2021 and 2020, respectively. In addition, the Organization recorded rent expense related to donated office space in Boston, Massachusetts totaling \$43,710, as described in Note 11, for both years ended December 31, 2021 and 2020.

NOTE 10 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions not invested in perpetuity are available for the following purposes at December 31:

	<u>2021</u>	<u>2020</u>
Subject to Expenditure for Specified Program Purposes:	<u>\$ 8,528,960</u>	<u>\$ 7,816,330</u>
Total	8,528,960	7,816,330
Subject to the Passage of Time:

NOTE 12 EMPLOYEE BENEFIT PLAN

The Organization sponsors a retirement plan (the Plan) qualified under IRC Section 403(b) that allows eligible employees to make elective contributions to the Plan, up to the maximum contribution allowed by law. Employer contributions are discretionary and are determined and authorized by the board of directors each plan year. During the years ended December 31, 2021 and 2020, no discretionary contributions were made to the Plan.

NOTE 13 RELATED PARTY TRANSACTIONS

In 2018, the Organization received a \$1,000,000 unconditional contribution from a foundation for which a director serves as the chief executive officer. For the years ended December 31, 2021 and 2020, \$400,000 and \$600,000, respectively, was included in contributions receivable related to this contribution.

In 2018, the Organization received a \$250,000 unconditional contribution from a board member, of which \$50,000 and \$100,000 was included in contributions receivable at December 31, 2021 and 2020, respectively.

In 2019, the Organization received a \$50,000 unconditional promise to give from a trust, of which \$-0- and \$17,362 was included in promises to give at December 31, 2021 and 2020, respectively. A director serves as the chief executive officer of the trust.

The Organization paid \$-0- and \$124,996 to a company owned by an employee for use of a film studio and talent for the year ended December 31, 2021 and 2020, respectively.

The Organization received in-kind legal services from a director totaling \$16,221 and \$14,929 for the years ended December 31, 2021 and 2020, respectively .

The Organization received \$5,204 and \$5,000 in contributions from a relative of the chief executive officer for the years ended December 31, 2021 and 2020, respectively.

The chief executive officer of The GroundTruth Project, Inc. and the president of Report for America, who receive compensation and benefits for their services, also serve on the board of directors.

In 2021, there was \$85,000 in contributions received from board members of which there was no balance remaining at December 31, 2021.

NOTE 14 PAYCHECK PROTECTION PROGRAM

In May 2020, the Organization received proceeds in the amount of \$395,566 to fund payroll, rent, and utilities through the Paycheck Protection Program (the PPP Loan). The PPP loan may be forgiven by the U.S. Small Business Administration (SBA) subject to certain performance barriers, as outlined in the loan agreement and the CARES Act. Therefore, the Organization had classified this loan as a conditional contribution for accounting purposes. The Organization recognized \$395,566 of contributions revenue related to this agreement during the year ended December 31, 2020, as the performance barriers had been met. The SBA has formally forgiven the entire loan balance of the Organization's obligation under this PPP loan. The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Organization's financial position.

NOTE 15 UNCERTAINTIES

In 2020, the World Health Organization declared the spread of Coronavirus disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic had significant effects on global markets, supply chains, businesses, and communities. It is expected that COVID-19 could potentially impact operations in the future, which may result in a modification of programs. Management believes the Organization is taking appropriate actions to mitigate the financial impact. However, the full financial impact of COVID-19 is unknown and cannot be reasonably estimated as these events continue to develop as of June 15, 2022.
